Notes			

Copies of **Verifiable Receipts** for this Maintenance/Inspection and a corresponding **Voucher must** be mailed or uploaded to the **Warrantor** within 30 days of the inspection date. If mailed, the postmark must be within 30 days of the inspection date. **We** suggest sending all paperwork via registered mail to ensure delivery. Mail all documents to: 6834 S. University Blvd., #101, Centennial, CO 80122. Or, go to [www.marinewarrantyforlife.com](http://www.marinewarrantyforlife.com) to upload **Your Verifiable Receipts** and this **Voucher**.

All Maintenance/Inspection must be performed by a licensed **Repair Facility** and show the date, Marine description and a complete description of services performed. This does not replace **Your** manufacturer's suggested maintenance protocols. This **Limited Warranty** requires **You** to follow any additional maintenance from **Your** manufacturer.

**Items to be maintained/inspected and issues addressed (if necessary)**

1. **Engine: ensure all water has been drained and removed.**
2. **Engine: Apply corrosion protection to your engine.**
3. **Consult your owner's manual for specific instructions, and complete fogging, if needed.**
4. **Add a fuel-stabilizing additive to your fuel system; then run the engine.**
5. **Change your engine's fuel filters and any fuel/water separators in the system.**
6. **Drain your boat's freshwater plumbing systems (sinks, tanks, and heads).**
7. **Add antifreeze to your plumbing systems.**
8. **Ensure water is removed from all additional systems (raw water washdowns, live wells, bilge pump, etc.).**
9. **Remove drain plugs.**
10. **Cover your boat or place it into winter storage.**

Additional **Vouchers** may be obtained by going to [www.marinewarrantyforlife.com](http://www.marinewarrantyforlife.com) or calling 800.819.5786.
